

2024 Sponsor Packet

#MusicBloomsHere

To Whom It May Concern:

My name is Jon Grace, and I'm the Director of Tourism here in Bell County, KY (Middlesboro/Pineville/Cumberland Gap Area). I'm writing to you in hopes you'll consider coming on board as a sponsor for our 2023 Laurel Cove Music Festival, which takes places on June 7th and 8th, 2024 at Pine Mountain State Resort Park in Pineville, KY. The event is a collaboration between Bell County Tourism, Main Street Pineville, and Pine Mountain State Resort Park, and has become a signature event for our area in four short years. The venue of the festival, Laurel Cove Amphitheater, is absolutely jaw-dropping. Seating around 1,300 people, it is best known as the location of the Kentucky Mountain Laurel Festival Queen's Coronation. It's been under-utilized as a concert venue in the past, but this event has changed that narrative. Built by the CCC in the 1930s in Kentucky's oldest state park, Laurel Cove Amphitheater is gaining buzz around the country as a must-see live music destination. With a rock cliff behind the stage, a pond in front of it, and old growth hemlock and rhododendron all around, seeing a show here is a completely unique concert experience. Not only aesthetically...the acoustics for this venue are also out of this world. It's an Appalachian dreamscape come to life, one that immediately makes you feel at home, and in my opinion (and many others), there isn't a better place to watch a concert.

Each year, more and more people are discovering the magic of Laurel Cove. We have had folks from 27 states and 3 foreign countries make the journey to our festival. The goal of Laurel Cove Music Festival is simple: to bring our audience the best up and coming talent from Appalachia and beyond. We may never be able to afford the Chris Stapletons or Tyler Childers of the world, but we are bringing our audience the next generation of talent before they are filling arenas. The chance to get to see future stars in an intimate and magical outdoor venue like Laurel Cove Amphitheater is what makes this event so incredibly special. Acts like Morgan Wade, Lost Dog Street Band, The Red Clay Strays, Charles Wesley Godwin, 49 Winchester, Sierra Ferrell and many more are just a few of the acts that have played our lineup in the past and are now making major waves with their careers.

For 2024, we are planning on taking things up a notch more, both with our lineup and our marketing efforts. The Kentucky music scene is unlike any in the country right now, and Laurel Cove Music Festival has quickly become one of its staple events. This is where fans, industry folks, and even bigger festivals come to find the next big thing. We are happy we can promote it in so many ways this year, and pass that benefit on to our sponsors. Our lineup will be taken up a notch every single year, and through the help of sponsors we are able to keep the prices on this amazing festival as low as any in the state, despite having such amazing talent. We also make sure to go above and beyond when it comes to reciprocating the support your company gives to this festival by promoting it in a myriad of ways, which are detailed in this packet.

We're not the biggest or most flashy festival in the state, and we don't want to be. But as far as smaller and medium sized festivals, people think we're top shelf, as you can see from the few reviews I've attached from previous years. We know we have something very special in our mountains with this festival, and we hope that you can find a way to help us continue growing what's becoming one of our states most talked-about music festivals.

Thanks so much for your consideration!

Both Bell County Tourism and Main Street Pineville will be putting forth financial contributions much more than any sponsorship level, and we will limit our sponsors to only one **Diamond sponsor (\$10,000)**, five at the **Platinum (\$5,000)** level, six companies at **Gold (\$2,500)**, and ten at the **Silver (\$1,000)** and **Bronze (\$500)** levels.

Notes on Sponsor Levels:

- Will need high resolution logo in PNG format (contact if you do not have one and we will make you one, free of charge!)
- Cottage will be for nights of June 9th and 10th and sleeps 5 (2 bedrooms/4 beds and a couch).
- Logos will be placed in respect to order to sponsor level (Ie. Diamond sponsors have top/largest logos, Platinum second tier/next largest, etc....)
- Bronze level will be represented in text, not logo for space saving reasons.
- If your company needs a vendor space, please let us know ASAP (Deadline is April 30th, 2023).
- Each level also comes with the following amounts of free tickets:
 - **Diamond (10 tickets), Platinum (6 tickets), Gold (4 tickets), Silver (2 tickets)**

Additional Sponsorship Opportunities

We also have several unique variations of our sponsorship levels, which a company may choose to pursue instead of one of the standard ones. Each of these levels is broken down below. If alternative means of donating is listed (like equal value of needed product), remember that product will be specified by the Festival Committee as to exactly what is needed.

Creekside Stage Sponsor (1 available) - \$7,500. Sponsor benefits similar to Platinum Package, minus billboard logo and partner status. Additional benefit includes company banners placed at the Creekside Stage at Laurel Cove Music Festival and mentioned at least 10 times on Creekside stage throughout weekend. The Creekside, while it is our secondary stage, is hugely popular and has seen some massive crowds since its inception in 2021. Artists like Cole Chaney, Vincent Neil Emerson, Abby Hamilton, Logan Halstead and many more have had legendary performances with crowds of 300 plus people at it.

Green Room/Band Area Sponsor (2 available) - \$2,500 or equal value of needed product. Sponsor benefits are equal to Gold Package. This donation can be made monetarily or with food and drink to be supplied to the Green Room and Band Areas at the Festival (or with a combination of each). We will also allow this sponsor a banner to be placed at both areas during the festival. The food and drink MUST be what is ordered by festival committee, any variations need to be approved by festival committee or Jon Grace with Bell County Tourism. We will provide list at least two weeks out of all food and drinks needed.

Hospitality Sponsor (1 available) - \$2,500 or 20 double hotel rooms. Sponsor benefits are equal to the Gold Package. To help mitigate our lodging costs for bands, we are also including a hospitality level sponsorship which can be donated to with free rooms up to \$2,500 in value (or twenty double rooms), or a monetary donation to help pay for these. If this is a local hotel, we will make a separate social media post and website section acknowledging you as the Official Hospitality Sponsor for Laurel Cove, recommend people to stay here first and foremost, and also provide a free shuttle service from the event to your hotel.

Event Program Sponsorship (1 available) – 1,000 Event Programs. Benefits will be equal to Gold Level sponsorship. Our goal is to create a program this year for folks to keep and look back on with artist bios, festival information, tons of pictures, a few autograph pages, etc. This program will be designed by the festival committee and turned in to the sponsor company no later than March 15. We can also discuss at-cost sponsorship for a lower tier of sponsorship package equivalent.

Event Banner Sponsorship (1 available) – \$1,000 to \$2,500 or equal value of needed product (vinyl banners, yard signs, etc.). Sponsor benefits equal to either Silver or Gold Package. This will be the only special category that may have two sponsors, depending on what level is sponsored at. We will need various vinyl banners (around six 6'x12'), yard signs, and a few more similar items.

Event Rack Card/Poster Sponsorship (1 available) – \$1,000 to \$2,500 or equal value of needed product. Sponsor Benefits from Silver (\$1,000) to Gold (\$2,500) level. We will need several hundred event posters (11x17" and a few 18x24") and several thousand rack cards made to promote the festival. We can accommodate a sponsorship on either level.

Artist Gift Bag Sponsor (1 available) – \$2,500. Benefits will be equal to Gold Level sponsorship, and a company banner will be allowed to be placed in Green Room area where gift bags are. This sponsorship will pay for items we place in artist gift bags each year and is a great way to get your companies name out to the artists who play the event!

The Amp: “While there, I heard someone refer to this spot as “the Red Rocks of Appalachia” and that has been how I mostly describe it when speaking in person. Saving Country Music: “Over the last few years, we all haven’t been able to stop harping on all the great country music talent coming out of the greater Appalachian region, from Kentucky, to West Virginia, to the Commonwealth, to south and eastern Ohio. One festival with its finger squarely on the pulse of all of this has been doing their level best to put all that talent together in one place.”

The fellowship among the artists and fans genuinely makes it such a uniquely memorable event. There was a tangible aura of musical brotherhood throughout the weekend...”

Laurel Cove is the most unique festival I've ever been to. It's in a forest on the largest mountain in Kentucky, every single person was polite and friendly as hell, and the artist actually mingled with the crowd and were totally accessible and nice. What a wonderful experience. The music was 🔥 too.

Laurel Cove Music Festival is one of my favorite festivals held at Pine Mountain State Park. It is the most peaceful atmosphere where you can hear a pindrop as artists performed. A lot of blood, sweat, and tears go into planning the event where many attend not from Bell County. [Jon Grace](#) and his crew outdone themselves this year. We had a couple of surprises for him that I think it is safe to say shocked him.

The music community is strong especially in southeast Kentucky. W... [See more](#)

Not that I want more competition for tickets, but I need to tell y'all about what a gem the [Laurel Cove Music Festival](#) is. [Jon Grace](#) and his crew in Bell County are great at what they do.

Tucked into the middle of the forest at Pine Mountain State Park is the Laurel Cove Amphitheater, a 1930s CCC project. It's beautiful. It has amazing shade, benches, seats or lawn - all with great views of the stage. There's another little stage tucked next to a creek.

Big friendly energy in the southeast part of our state. Folks exude a welcoming attitude and pride in their community. We camped for the weekend and had such a great time.

If you want to hear up-and-coming acts in the not-country-radio-country-music/Americana genre, most with local ties, keep a look out for announcements about tickets and lineups early next year.

Back from another magical weekend at [Laurel Cove Music Festival 2023!](#) By far the most magical music event of the year. The setting. The music. And that beautiful crowd of people. There's so much love and respect for the music and the artists. It's kinda like heaven on earth for me.

And, I always bring back favorite new finds. This year I need to tell you about [Abe Partridge](#), such a talented singer songwriter, no band is needed. I loved him so big. And the holy moly blew me ... [See more](#)
